

Scanner Rebate Promotion

In partnership with DentsplySirona, Premium Dental Lab is proud to offer a rebate of up to 100% of their monthly repayments, for any customers that buy a new PrimeScan Connect, or a Omnicam 2.0 Connect intraoral scanner.

The rebate will be determined by their monthly spend as outlined in the table below. The rebate will then be shown as a credit on their monthly statement.

For those with multiple practices, calculation of their monthly spend can be consolidated across all of their practices.

PrimeScan Connect (\$59,500)	\$1100 /month*	\$12,000 /month	100%	\$0 /month
